The chalkboard's surface is crafted from green lacquered steel with magnetic properties, allowing you to easily attach notes and photos. It comes with a high-quality aluminium frame in a sleek grey colour. The reinforced design ensures the product remains stable and resistant to damage. Suitable for use with chalk and chalk markers, the chalkboard can be mounted either vertically or horizontally. This product is particularly well-suited for schools and training centres, providing an ideal space for writing notes and displaying educational materials.
