

Key features

See the product at the online store

The chalkboard surface is made from high-density HDF board, making it suitable for writing with both chalk and chalk markers. It is highly durable and easy to maintain. The elegant lacquered wooden frame provides stability and extends the product's lifespan. You can mount it either vertically or horizontally, allowing it to fit seamlessly into any chosen space. It's ideal for environments where organisation and communication are key. Whether in office spaces, pubs, or at home, this board is versatile. In public areas, it can inform customers about opening hours or special promotions. At home, it's perfect for creative activities with loved ones.

 Frame made of natural wood
